### Comments

A very disappointing year for the Wilberries' second string. Only Amer Raza did consistently well with the bat, while Mal Byrne and Ajaz Farooqi had their moments. Only Mal Byrne did well with the ball. Mick Dwyer was outstanding behind the stumps, but nobody else performed, and it was fortunate for The Hills 2 that towards the end of the season North County 2 had to field weakened sides and were unable to dislodge them from sixth place. As things turned out, they decided to move down to Division 3, where they should be highly competitive.
